

DAMIEN LUCCHESI

DamienL1213@gmail.com

UX/UI DEVELOPER

I am a quick learning web developer with excellent communication skills. Naturally strategic, I like to plan ahead and work efficiently to deliver quality end results. I keep my code neat and work well on my own or with others. In my spare time I enjoy getting better acquainted with languages I am familiar with and languages that are new to me.

STACK / TACTICS

HTML / HTML5 • CSS / CSS3 • Bootstrap • JavaScript / jQuery • PHP / Smarty • Responsive Design / Development • Photoshop / Illustrator • Graphic Optimization • SEO • Cross-Browser Compatibility • Accessibility in Mind

PROFESSIONAL EXPERIENCE

CAREERCO, Staten Island, NY

2013 - Present

Front-End Web Developer

From simple bug fixes to implementing full, front-end, site redesigns. Hand code HTML & CSS, some Javascript & jQuery within a Smarty framework. Maintain desktop and mobile sites. Execute responsive (adjusts as viewport changes) and adaptive (safe designs for specific viewports) tactics on new projects. Research and test new technology and methods applicable to future projects.

TAYLOR MADE FURNISHED APARTMENTS, New York, NY

2012 - Present

Tech / Web / Marketing / Graphic Design Consultant

Resolve technical issues, i.e. desktop, application, printer, Wi-Fi, smart phone, etc. to ensure reliable/available systems. Administer www.TaylorMadeFA.com and expanding online presence. Design promotional postcards / web graphics.

FREELANCE GRAPHIC DESIGNER

2011 - Present

MARVEL COMICS, IMAGE COMICS, CANTON STREET PRESS, TOPHOBBYTRAINS.COM

Logos, print production, web banners, social media icons, etc. Delivered interesting and attractive designs to various projects, always meeting deadlines. Customer satisfaction is a priority.

MARVEL COMICS, New York, NY

2007 - 2011

Production Coordinator/Digital Composite Artist (2009 – 2011)

Tested files and ensured all technical specs met print safe regulations, as well as ran preflight tests. Digitally composited all elements of comic books, designed covers and extra interior material.

Publishing Technology Coordinator (2008 – 2009)

Scanned, cropped, sized all pages of every comic during that period. Assigned and maintained proper naming conventions for files/folders and kept on-sale dates. Extremely instrumental in the timely release of "Secret Invasion."

Print Operator (2008 – 2011)

Maintained two office color fiery and remedied mechanical/network issues. Provided technical assistance for many departments. Calibrated office color copiers, and helped others learn the process. Logged technical issues and solutions in an Excel spreadsheet.

Intern Coordinator (2007 – 2008)

Brought in interns from surrounding schools who eventually became successful editors. Reviewed resumes, scheduled/coordinated, and conducted interviews. Oriented and tracked interns to ensure success.

Art Returns/Talent Director's Assistant (2007 – 2008)

Maintained positive relations with freelance talent and kept up-to-date contact info. Updated Excel spreadsheets of freelance talent from across the industry and their current projects monthly for Talent Relations V.P.

Digital Comics (2007)

Ran scripts on files to prep for compatibility, laid out the reading experience / QA for end user.

COLLEGE OF STATEN ISLAND, Staten Island, NY

2007

Film/Video Lab Tech

Set up A/V equipment, assisted students and professors with troubleshooting. Checked entire inventory and tested equipment.

EDUCATION & TRAINING

BA, College of Staten Island, Staten Island, NY (2007) • CompTIA A+ (2012) • Team Tree House • Noble Desktop Seminars
